

FATIMA EZZAHRAA (Safia) RAGHOUI

Business Development & Strategic Partnerships | GCC Market Entry | 7+ Years

+971 50 886 2193 | f.raghoui@gmail.com | Abu Dhabi, UAE

Portfolio: safiaraaghoui.com | LinkedIn: linkedin.com/in/fatima-ezzahraa-raghoui

PROFESSIONAL SUMMARY

Business development and partnerships professional with 7+ years building and closing commercial relationships across the GCC for APAC technology companies. Recovered a \$104K monthly revenue target within two months of a regional relaunch, secured 50 partnerships from 100 targeted outreaches in Saudi and UAE, and managed a cross-functional team of five. Native Arabic and fluent English, with direct experience navigating GCC regulatory standards and coordinating between APAC headquarters and regional stakeholders.

WORK EXPERIENCE

Scatter Lab (Zeta)

AI Products Auditor & Content Strategy Consultant | Aug 2025 – Oct 2025

- **Pre-Launch Audit:** Conducted a comprehensive evaluation of the Zeta AI platform to optimize character strategy and ensure seamless U.S. market entry.
- **Technical QA & Guardrails:** Identified critical delays in response logic and audited AI “hallucinations” to maintain persona integrity and brand safety.
- **Persona Architecture:** Created detailed AI biographies and “Persona Matching” with specific linguistic styles tailored for the U.S. audience.
- **Product Optimization:** Proposed proactive engagement frameworks and UI improvements to increase emotional validation and reading speed.

OutInFuture (Neogen K-Beauty)

Business Development & Marketing Manager | Feb 2025 – Aug 2025

- **Regional Brand Launch:** Engineered the comprehensive GCC expansion roadmap and premium positioning for the Neogen K-Beauty brand.
- **Market Entry & Infrastructure:** Delivered the complete launch infrastructure, including localized brand storytelling and high-end asset production.
- **Digital Identity Architecture:** Launched regional digital presence with localized “Quiet Luxury” aesthetics to align with GCC market expectations.
- **Experiential Strategy:** Orchestrated a Seoul-based influencer event to secure regional advocacy and establish brand authority within the MENA ecosystem.

SpoonLabs (Spoon & Vigloo)

Regional Growth & Market Entry Strategist | Jun 2023 – Feb 2025

- **Revenue Recovery:** Led the MENA relaunch of Spoon Radio, recovering the \$104K monthly revenue target within the first two months of reopening.
- **Strategic Partnerships:** Secured 50 partnerships from 100 targeted outreaches to MCN and media agencies, establishing brand authority in Saudi and UAE markets.
- **Team Leadership:** Directly managed a cross-functional team of five across content monitoring, design, and customer operations.
- **Budget Planning & Execution:** Planned and executed a six-month regional relaunch budget across in-app events, creator partnerships, and digital marketing.
- **Architected GCC Re-Entry:** Delivered a launch-ready digital infrastructure and market-entry roadmap for the Vigloo platform in under 60 days.
- **Cross-Border Collaboration:** Facilitated strategic alignment between APAC headquarters (Seoul) and regional stakeholders regarding GCC regulatory standards.

Hyperconnect (Match Group)

Regional Growth & Market Entry Strategist | Jan 2019 – Jun 2023

- **Event-Driven Growth:** Drove a 70% conversion rate through in-app event programming, contributing to both new user acquisition and reactivated spend from existing users over a 10-month period.
- **Network Development:** Established a high-value network of regional agencies and MCNs in Dubai to drive sustainable user acquisition.
- **Market Engineering:** Engineered foundational roadmaps for MENA market entry, facilitating the successful launch of the Hakuna platform.
- **Strategic Intelligence:** Conducted deep-dive competitor analysis to architect regional expansion strategies and ensure cultural-technical alignment.
- **Operational Synchronization:** Coordinated regional operations with global leadership in Seoul to ensure platform scalability and business objective alignment.

AI PRODUCTS BUILT (INDEPENDENT)

- **Majlis AI:** AI-powered market-entry advisory platform for Abu Dhabi; rated Gold (“hire-ready”) by the Kanz AI hackathon programme. Live and published.
- **Accord AI:** AI-powered partnership advisor matching companies to vetted GCC partners from a self-collected 100-entry directory. Built end-to-end independently.
- **Volar AI:** AI companion platform for storytelling and mentorship, currently in development.
