PROFESSIONAL SUMMARY

Global Growth Manager & Market Entry Strategist with **7+ years** of experience orchestrating expansion for **APAC-based technology giants** within the **GCC markets**. Expert in **market entry architecture**, **regulatory alignment**, and **AI product auditing** to ensure localized product-market fit. Proven record of bridging **South Korean innovation** with **MENA regional requirements**, leveraging a **Seoul-based Master of Arts** and multilingual fluency to drive strategic scaling and technical precision.

AI PRODUCTS BUILT

Majlis AI

Independent AI Product — Live, Published, Gold-Rated | 2026

- **Product Architecture:** Designed an AI-powered market-entry advisory platform for Abu Dhabi, producing grounded strategic briefs from an 11-question assessment.
- **Verification & Recognition:** Stress-tested across 13+ scenarios confirming accurate logic; rated Gold ("hire-ready") by the Kanz AI hackathon programme.

Accord AI

Independent AI Product | 2026

- **Partnership Intelligence Engine:** Built an AI-powered partnership advisor matching companies to vetted GCC partners from a self-collected 100-entry directory.
- **End-to-End Build:** Independently designed, built, and tested both the frontend (Lovable) and backend logic, with no external engineering support.

Volar AI

Independent AI Product — In Development | 2026

- **Character Platform:** Building an AI companion platform for storytelling and mentorship, applying the same persona-architecture discipline as my market-entry tools.

Full case studies, live demos, and project briefs available at safiaraghoui.com.

WORK EXPERIENCE

Scatter Lab (Zeta)

AI Products Auditor & Content Strategy Consultant | Aug 2025 – Oct 2025

- **Pre-Launch Audit:** Conducted a comprehensive evaluation of the Zeta AI platform to optimize character strategy and ensure seamless U.S. market entry.
- **Persona Architecture:** Created detailed AI biographies and "Persona Matching" with specific linguistic styles tailored for the U.S. audience.
- **Narrative Design:** Engineered multi-character storylines with branching choice paths to deepen user immersion and narrative flow.
- **Technical QA & Guardrails:** Identified critical delays in response logic and audited AI "hallucinations" to maintain persona integrity and brand safety.
- **Product Optimization:** Proposed proactive engagement frameworks and UI improvements to increase emotional validation and reading speed.

OutInFuture (Neogen K-Beauty)

Business Development & Marketing Manager | Feb 2025 – Aug 2025

- **Regional Brand Launch:** Engineered the comprehensive GCC expansion roadmap and premium positioning for the Neogen K-Beauty brand.
- **Market Entry & Infrastructure:** Delivered the complete launch infrastructure, including localized brand storytelling and high-end asset production prior to strategic project freeze.
- **Digital Identity Architecture:** Launched regional digital presence with localized "Quiet Luxury" aesthetics to align with GCC market expectations.
- **Experiential Strategy:** Orchestrated a Seoul-based influencer event to secure regional advocacy and establish brand authority within the MENA ecosystem.

SpoonLabs (Spoon & Vigloo)

Regional Growth & Market Entry Strategist | Jun 2023 – Feb 2025

- **Architected GCC Re-Entry:** Delivered a launch-ready digital infrastructure and market-entry roadmap for the Vigloo platform in under 60 days.
- **Strategic Partnerships:** Secured a 50% partner adoption rate through high-level talent acquisition and negotiations to establish immediate brand authority in Saudi and UAE markets.
- **AI & Localization Audits:** Led end-to-end product localization and AI-driven editorial audits to ensure linguistic precision of technical assets.
- **Cross-Border Collaboration:** Facilitated strategic alignment between APAC headquarters (Seoul) and regional stakeholders regarding GCC regulatory standards.

Hyperconnect (Match group)

Regional Growth & Market Entry Strategist | Jan 2019 – Jun 2023

- **Market Engineering:** Engineered foundational roadmaps for MENA market entry, facilitating the successful launch of the Hakuna platform.
- **Network Development:** Established a high-value network of regional agencies and MCNs in Dubai to drive sustainable user acquisition.
- **Strategic Intelligence:** Conducted deep-dive competitor analysis to architect regional expansion strategies and ensure cultural-technical alignment.
- **Operational Synchronization:** Coordinated regional operations with global leadership in Seoul to ensure platform scalability and business objective alignment.

TECHNICAL SKILLS & INTELLIGENCE

- **AI & Strategy:** Advanced Prompt Engineering (Claude, ChatGPT), AI Workflow Integration (Gemini, Copilot), Strategic Trend Auditing (Perplexity).
- **Data & Analytics:** SQL, BigQuery (Growth KPI Modeling), Data.ai, Google Analytics, Statista, Modash.io.
- **Product & Design:** Advanced Prototyping (Figma, Canva), Short-form Video (CapCut), Operational Hubs (Notion).
- **Growth & Localization:** Meta Ads (Campaign Architecture), Vigloo Studio (AI-Driven Localization), Salesforce CRM.

PROFESSIONAL CERTIFICATIONS

- **Microsoft:** Career Essentials in Generative AI.
- **LinkedIn:** AI Foundations Professional Certification.
- **Google:** AI Essentials (In Progress).

ACADEMIC EDUCATION

- **Master of Arts:** English & American Culture and Literature; Cross-Cultural Communication & Media | **Kyung Hee University, Seoul.**
- **Bachelor of Arts:** Business Administration & HRM | **Hassan II University, Casablanca.**

LANGUAGES

- **Arabic** (Native)
- **English** (Fluent)
- **French** (Fluent)
- **Korean** (Intermediate)
- **Spanish** (Intermediate).
